

# Sid Valley Cycling Club

## Membership Application Form 2006

Sid Valley C.C. is an active part of the East Devon cycling scene. Based in Sidmouth, Devon, it is a friendly club that likes to take advantage of the wonderful countryside surrounding the town. Our activities include touring, mountain biking, reliability rides, time trailing, road racing, Hill climbs, as well as our Woodbury challenge events. We also meet regularly for social events, which include our annual dinner and awards ceremony at the end of the season, and weekly training sessions held at the Manstone Football Club, an opportunity for the younger members to gain experience from the knowledge continued within the club.

For more information take a look at [www.svcc.org.uk](http://www.svcc.org.uk).
